## Professional Duct Cleaning Services Ltd. now offered by Kerry's leading ventilation experts

**G**neeveguilla based ventilation company, O'Leary Ventilation Ltd, has long been recognised as one of Ireland's leading Heat Recovery Equipment suppliers and installers. In response to the needs of the restaurant, catering and hotel industry in Kerry and Munster, CEO Aengus O'Leary and the team at O'Leary Ventilation are delighted to announce the expansion of their services portfolio by offering Duct Cleaning

Services for the first time.

### • DUCT CLEANING SERVICES

As ventilation experts, O'Leary Ventilation are coming to the sector with a wealth of expertise and experience; after all, installing these systems has been their profession since 1995 when they were first established.

This means that hoteliers, restaurateurs and caterers across Kerry, Cork, Limerick,

Waterford and Tipperary can now avail of expert Duct Cleaning Services offered by experts, based locally, operating 18-hours a day to facilitate out of office requirements

"Extract Ducts from kitchen canopies become contaminated with grease and dirt deposits - these pose a major a fire and health hazard; trapped fat is like a gallon of petrol and can ignite rapidly," explained ventilation expert, Aengus O'Leary

(who has worked in the industry since 1982). "Once a fire like that starts in these extract ducts it is practically impossible to stop."

"Health standards and insurance companies require that they be professionally cleaned at least on an annual basis - this not only increases the equipment's life-span but also reducing risks to your business and your employees. Since 1995 O'Leary Ventilation Ltd - now known as O'Leary Ventilation & Duct Cleaning Services Ltd. - have been involved in the day one installation of these systems we understand their intricacies" he added.

"O'Leary Ventilation & Duct Cleaning Services Ltd. guarantee a thorough, professional job with minimum disruption to your business. In addition annual duct cleaning is essential in maintaining your insurance premium costs and we will supply the necessary safety documentation after the job's completion."

By availing of the services offered by O'Leary Ventilation & Duct Cleaning Services Ltd., your establishment will also be compliant with the Fire Safety Act 1981/2005 that states that the occupier of a build has a legal responsibility to ensure safety from fire.

Hotels, Restaurants, Take-Aways, Cafés, indeed any time of food service business can use a kitchen area can avail of O'Leary Ventilation & Duct Cleaning Services Ltd., based in Kerry and serving all of Munster offering all aspects of duct cleaning from assessment to application, inspection to certification.

For more information or for a quotation contact Aengus and his team on 064-7758429 or 087-2512272. More information is also available at their website [www.allvent.com](http://www.allvent.com).
